

Three aspects of the redemptive gospel we must not neglect to remember (1 Cor. 15:1-11):

1. The **gift** of the gospel (vs. 1-2)

- faith comes from hearing the message...(Rom. 10:13-17)
- received by faith the gospel saves (vs. 2)
- remaining faithful to the gospel is evidence of salvation (vs. 2)

2. The **truth** of the gospel (vs. 3-7)

- that Christ died for our sins
- that he was buried
- and that he was raised on the 3rd day
- *the penalty for sin is paid and death has been defeated!*

3. The **power** of the gospel (vs. 8-11)

- reaches the worst offenders
- transforms lives
- empowers us to be effective on mission
