Dear Family and Friends

January 2019

*As a New Year begins our prayer is that we lay our plans securely in our Master's hands. (Isaiah.64:8)*

We thank the Lord for faithful prayer warriors on our behalf, the last couple of months have been challenging and busy. November was a full schedule; helping with logistical details for our Christar International Board/Council that met in Niagara on the Lake. Then the last couple of weeks was busy with hosting and Pre-departure Orientation training for our appointees. We rejoice with them as the Lord has provided

all they need now for their departures to the field. Both Kerri-Jo and the Hasani-Poors will be leaving for full time service Jan 29<sup>th</sup>. We would ask that you keep them in your prayers as they go through this major transition. Stephen and I had the privilege of going, on Jan 13<sup>th</sup>, to Kerri-Jo's commissioning service in Fort St John, BC. Cindy is overseeing another short-term team going out to India this summer from Peace River Bible Institute. Pray for the 6 students on the team to remain close to the Lord and be diligent in their requirements to move forward. Pray that I will give good clear communication and council to prepare them well. I may also have an opportunity to mentor a young lady from Brock University, pray for wisdom and follow through with this.

Stephen is keeping busy currently with year-end receipting at the office. God has given him a detailed mind, pray that he will be able to think clearly and not overlook anything.

I, Cindy was given a sweet gift of pottery classes. It reminded me again of how God is molding and shaping us from a lump of clay, into His Master Piece. Our family is going through a season of God's refining work, sometimes as He works on us it can be painful. However, we do desire that He will continue to make us more like His Son.

We continue to look for a home to buy. Please pray that God would provide a place for us to call "home". Also, our support is a need.

Workers together,

*Stephen & Cindy*
