Letter to Joy Preschool parents

Thank you for your interest in registering your child in Joy Preschool for our upcoming academic year. Our purpose is to provide a biblically based preschool program that acts as an introduction to structured educational activities. This program works as a gradual transition into full-time public, private or christian schooling. It serves church families and reaches out into the community.

Joy Preschool is an enriching program providing a warm, caring atmosphere where children may choose to participate in various child and adult direction activities, in order to promote healthy overall development. In a positive learning environment, children, through play experiences, the guidance of qualified staff and careful planning, will be exposed to activities at their level of development that will stimulate cognitive, social, emotional, physical, and spiritual growth. All spiritual and moral teaching will be in agreement with the statement of faith of Calvary Baptist Church.

Our curriculum is based around the Word of God, as we believe that it is the centre of all truth. The school utilizes dedicated Christian teachers and staff members to integrate God's Word into all areas of school life. Our programs are taught by E.C.E. qualified and experienced staff.

If you fully agree with our purpose, philosophy, and agree that all spiritual and moral teaching will be in agreement with Calvary Baptist Church's statement of faith, please sign the enclosed parent agreement to complete the admission process.

The parent agreement must be signed before the application can be processed.

Sincerely,

Cindy Brown
Supervisor, Joy Preschool
