

Men's Ministry Update

Enabling men to become fully devoted disciples of Jesus Christ

Men's Encounter Retreat 2017

Ganaraska Woods Conference Centre, February 2017.

We held our annual Men's Retreat again this year in the beautiful north woods and under the teaching of Pastor Bob Froese from Faith Fellowship Church learned what it means to be a part of Christ's eternal family, enjoyed some fellowship and had some great food provided by Tim and Cindy Wagner. It was a great weekend!

1

WORSHIP

It all begins with UP. We seek to move men to live a life of worship.

2

CONNECT

We want to live IN community and equip all men to grow complete in Christ by learning to obey and apply God's word.

3

REACH

It must move OUT. We aspire to enable all men to advance the good news of Christ where He is not known.

Iron sharpens iron, and one man sharpens another.

Taking Aim

"It is Possible" – Free Event, April 22

Many times after a Men's event, we hear the question "What's next?" We occasionally hear that it can be difficult to connect in a larger church community, and we certainly understand how people could feel that way.

There are a few things that we believe are imperative to connecting as we learn and grow together in Christ. At Calvary, we have a vision we like to call "1-1-1".

First, make sure that you are joining us at ONE of our Sunday services every week. As our lives get continually busy, prioritizing has become something we need to do just to keep our heads above water. While making the time to attend a Sunday service gives you a time to come and join with other believers in the worship of Jesus Christ, it also clearly follows scripture. Check out Hebrews 10:24-25.

Secondly, we want to be a part of ONE small group initiative, something we like to call Discipleship Communities, or "DC Groups" for short. The reality is that much of Men's ministry takes place in these communities, where we meet together and discuss the application of God's word in our life. It's also where you get another opportunity to meet other guys who are learning to grow as disciples of Jesus Christ.

Lastly, we believe that serving in ONE area of the church helps bring people together who share the same passions for contributing in certain ministry areas. Some guys like the idea of shaking hands, while others like the idea of shaking hammers. Whatever your giftedness, there is a place for you to serve here at Calvary.

There are also various events that you will see throughout the year, and on April 22, 2017, you need to prioritize coming to an event called "Reveal". If you're a married man, a single man, a parent or a grandparent, this FREE event is going to tackle issues that impact EVERY man and EVERY family in one way or another. Please mark it on your calendars and get engaged in this event – It is so important.

COMING UP FOR CALVARY MEN

Haven't found your way into a DC group yet? What are you waiting for? Contact Pastor Kelvin (kkauffeldt@calvary.on.ca) or Jim (jim@calvary.on.ca) to get involved today! This is your opportunity to connect weekly with other guys.

Get ready for a Men's Event coming on May 26th! One thing we can tell you for sure – there is going to be great food and an opportunity to invite someone to hear a great speaker.

FORE! (Golf joke) Keep your eyes open for our Golf Tournament happening this summer. Even if you are only a casual golfer, this tournament may drive (get it?) you to an excellent round. We will figure out a fair way (see what I did?) to keep score or else it may be a hazard (ok, last one) to your handicap.
