

Student Missions Journey Confidential Reference Check

This student is considering serving God through a cross-cultural mission experience. Each missions journey is unique but they are all challenging opportunities to serve. This is not a vacation. The team the student eventually joins will give long hours and lots of energy to the work we're involved in. The accommodations could be cramped and shared with other people. This student will be stretched emotionally, physically, mentally and spiritually. They will have an experience that will be fun, require their courage, and draw them closer to God through the ministry and teaching of Jesus Christ. Thank you for taking the time to share your thoughts.
